ALBERTO SAGGIA & VALERIO SOMMELLA

THE DESIGNERS

ALBERTO SAGGIA nasce a Novara nel 1978. Laureatosi nel 2004 al Politecnico di Milano in Disegno Industriale con specializzazione illuminotecnica, subito inizia la collaborazione con lo studio Metis Lighting di Milano, occupandosi di lighting design e industrial design, oltre allo sviluppo di soluzioni illuminotecniche *custom made*. **VALERIO SOMMELLA** nasce a Cortona nel 1980. Si laurea con lode in Disegno Industriale al Politecnico di Milano nel 2004, anno in cui inizia a lavorare con Stefano Giovannoni. Nel 2007 lascia Milano per trasferirsi ad Amsterdam dove entra a far parte del team di Marcel Wanders. Dal 2009 vive e lavora a Milano progettando prodotti che spaziano dall'illuminazione all'elettronica di consumo per clienti Italiani e internazionali.

Dal 2010 collaborano insieme allo sviluppo di apparecchi e sistemi di illuminazione per note aziende italiane.

ALBERTO SAGGIA was born in Novara in 1979. In 2004 he graduated in Industrial Design with a specialization in lighting design at Politecnico of Milan. Soon after he has started his collaboration with Metis Lighting Studio in Milan designing for both the industrial and lighting field and where he also projects custom made lighting solutions. **VALERIO SOMMELLA** was born in Cortona in 1980. He graduated *cum laude* in Industrial Design at Politecnico of Milan in 2004 and, in the same year, he started working with Stefano Giovannoni. In 2007 he moved to Amsterdam to join Macel Wanders design team. Since 2009 he lives and works in Milan designing a wide range of products, from lighting to consumer electronic appliances for both Italian and international companies. Since 2010 they work together developing lighting products and systems for important Italian lighting companies.
